Notes:

- Credits hours of **Additional Course** will not be counted towards calculation of CGPA and **Additional courses** once selected and completed cannot be changed. Certified that Course/courses listed above is/are included in curriculum of MS/PhD.
- PG students cannot take fresh course in summer or deferment Semester. Minimum 6 Cr hours' courses will be taken in every regular semester. Students taking courses in Summer Semester will not be eligible for Honours/Awards/Gold Medal/Certificates etc.
- PG Students having less than 3 CGPA are not eligible to study additional courses.
- PG students must attach every time the complete transcript alongwith Regn Form for courses (both for SCME & out of SCME courses). PG student can repeat 3 courses besides 8 regular courses.
- HoD/Coordinator to approve registration form if eligible as per attached transcript (both for SCME & out of SCME courses).
- Students must attach SCME course registration form along with their other school registration form and they may appear in two exams on one day due to unavoidable circumstances.
- PG students cannot be registered for research work after 2nd Semester if they have not obtained 3 CGPA.
